At this point in my career I am drawn to images from the American culture, ranging from the mythic to the ideal symbols from my childhood. I am drawn to psychologically mysterious and enigmatic juxtapositions, which evoke an emotional, often quizzical response from the viewer.

In 2011, I had a Yaddo residency.

FAFA - FRANCESCA ARCILESI FINE ART - December 2009

## Background

Born in Jericho, NY, I attended Brown University and graduated with a BA in art history.

As an art dealer, I have specialized in late 19th & Early 20th American Art, had my own gallery which represented emerging artists, and am currently the director of a gallery that handles modern and contemporary master prints and contemporary art in all media.
